

The new Neukölln Intercultural Education Team (IKAT)* has summarised the most important and basic rules about the Coronavirus by the Senate of Berlin to make your daily life easier.

These rules came into effect on October 6th/2020 and are valid until December 31/2020. Please distribute this information sheet and contact us in case you have any questions about Corona.

And please remain safe and sound :)

Your contact to the IKAT:

email: ikat-info@chance-berlin.com

Tel: 0176-31752322 (from 9 a.m. to 5 p.m.)

***The Neukölln Intercultural Education Team (IKAT) is a model project funded by the District Council of Neukölln**

These Corona rules are valid since 10/10/2020

Basic rules:

AHAL rules:

- Keep a distance of at least 1.50 meters to other persons.
- Wear a mask everyday and ensure maximum fresh airing.
- Physical contact with other people must be reduced to an absolute minimum.
- Avoid indoor communication when in a crowded room.
- All those concerned must have an updated hygiene concept

Schools:

- In schools, students must wear a mask outside of the classroom.
- Students proven to have chronic illnesses (Valid medical certificate) can be taught at home.
- In day care centers, a mask is required for all children above the age of 6.
- Just one Person is allowed to pick up child(ren) from a daycare.
- In public transportation, the masks are mandatory and the social distance rule apply whenever applicable.
- Masks are also mandatory in hospitals and care facilities.

Leisure and gastronomy:

- It is forbidden to serve or sell Alcohol between 11 p.m. and 6 a.m.
- Shops (convenient stores) and restaurants are closed from 11 p.m. (Night Curfew)
- Private meetings with a maximum of 10 people inside closed rooms is allowed and an attendance register must be kept.

In general:

- Meetings in public spaces (including parks) are only allowed to members of two households between 11 p.m. and 6 a.m. and the maximum number of persons who are not from the same household is also limited to 5.
- It is compulsory to wear a mask in office and administrative buildings.
- Contact details are required when visiting restaurants, or attending public events or private meetings. This information is essential to the health department to contact possible affected people. The health officials can track and trace persons who might be infected or who happened to come in contact with infected persons.
- The willful act of providing wrong contact information is punishable by law with a fine.
- Residents of Berlin wishing to travel to another federal State are required to show a proof of a negative Test result (Corona). Two states make an exception to this rule (Bremen and Thuringia)
- A private corona test has to be paid for by yourself and costs approx. 170 euros. The cost of the test at the request of a private individual, will have to be paid out of their own private funds.
