Corona rules, as of October 16, 2020 (page 1)

Basic rules:

- AHAL rules: distance of at least 1.50 meters, hygiene, everyday masks, ventilation.
- Physical contact with other people must be reduced to an absolute minimum.
- Avoid speaking and singing in non-ventilated indoor areas if possible.
- Every organizer must have and be able to present a hygiene concept.
- In schools, pupils must wear a mask outside of the classroom. Chronically ill children can be taught at home with a certificate.
- In day care centers, mask requirements apply from the age of 6. Only one person is allowed to pick up children from the day care center.
- In public transport, a mask is required everywhere and - if possible - the distance rule. Mask must also be worn at waiting stops.
- Mask requirement in hospitals and care facilities.
- Visiting times in hospitals are limited to one hour and only one person is allowed to visit.
- If you suspect you are infected: call your doctor or health department.

Corona rules, as of October 16, 2020 (page 2)

New rules:

- Leisure and gastronomy: alcohol is not sold or served between 11 p.m. and 6 a.m., shops are closed from 11 p.m. Restaurants, bars and pubs may be open after 11

p.m., but alcohol is prohibited after 11 p.m. (Curfew)

- Private indoor meetings with a maximum of 10 people, attendance lists must be kept.
- Only members of two households may meet in public spaces (including parkings) between 11 p.m. and 6 a.m., a maximum of 5 people. (initially limited to October 31)
- It is compulsory to wear a mask in office and administration buildings.
- Contact details must be recorded when visiting restaurants, attending events or at private meetings, and in the event of infection they must be made available to the health department for contact tracking. Those who provide incorrect data can expect high penalties.
- In some federal states, there are currently bans on accommodation for Berliners. Please check the regulations of the respective federal state before traveling.
